# FAQ'S

## **WHEN DO YOU SETUP & PACK DOWN?**

We set up outside of your hire duration. We arrive an hour prior to your hire time to start setting up. Unless you require us to arrive earlier, just let us know and we can arrange this. The designated hour for setup is free, but if you need us to arrive much earlier than the designated hour setup, there's a \$40 per hour idle fee. Our staff will pack down once the hire time is over, unless you have a preferred time for pack down, just let us know!

## **HOW MUCH SPACE DO YOU REQUIRE?**

We usually ask for a 2.5 meter square space with close access to power. If space is limited, get in touch, our booths are portable and we can probably work with the allocated space.

## **CAN YOU SETUP OUTSIDE?**

For outdoor events we require our booth and equipment to be fully sheltered (marquee), we also require close access to power.

## **DO YOU PROVIDE PROPS?**

We can provide a selection of speech bubble props upon request at no extra cost, these are thoroughly sanitised before your event to ensure they are ultra-clean and germ-free! Want more props, no problem, just ask us!

## **DO YOU CHARGE DELIVERY?**

We provide free delivery for all areas within 35km from Caroline Springs. If your event is further than 35km, we will provide you with a delivery quote.

## **DO WE NEED AN ATTENDANT?**

Our booths are designed intuitively, so it's simple and easy to use. We also have the technology to check in on our booths remotely to ensure everything is running smoothly. Once our staff has set up the booth, they'll leave the premises but will still remain within close proximity to ensure your event continues to run smoothly. If you prefer to have an attendant remain next to the booth, no problem at all, we can arrange an attendant for an additional \$40 per hour.
